Project 18-1310 D1

PROJECT UPDATE
WATERMAIN REPLACEMENT AND IMPROVEMENT
SADDLE CRESCENT AND SWIRLINGLEAVES CRESCENT
CITY OF MISSISSAUGA

What are we doing?

- Temporarily reinstating driveways, sod, and curb following the replacement of the watermain and services along Hollowtree Crescent.
- To complete restoration following upgrade of the water distribution system.

When?

- We will be starting restoration work this week.
- The project should be completed within a few weeks.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Sean Ballaro	Project Manager	905-791-7800, ext. 7917
Gus Afuwape	Inspector	905-791-7800, ext. 3246
Rabito Construction		
Rabito Construction will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Corey Luciano	Project Manager	905-642-5356
Sam Rabito	Site Superintendent	905-642-5356

Traffic and Parking Control

- We may need to reduce traffic to a single lane during restoration.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- If we have cut your driveway, we will temporarily repair the asphalt in the disturbed area. Unfortunately, the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.
- The City of Mississauga is planning road resurfacing works. As part of their project, your driveway patch will be paved from edge to edge in your driveway. It is expected that the City will provide you with additional communication later this year or early in 2020.
- **The only contractor that the Region has hired to work on your road is Rabito Construction. The Region of Peel has not hired anyone else to do any driveway work. Therefore, we recommend that you do not accept direct solicitation from any contractor telling you that they have been retained by the Region.**

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!

Sean Ballaro

Project Manager
