Project 18-1310 Assignment B

**WATERMAIN REPLACEMENT AND IMPROVEMENT
SANDERLING CRESCENT AND SWALLOWDALE COURT
CITY OF MISSISSAUGA**

What are we doing?

- Restoration of asphalt road surface and overall clean-up following the watermain replacement on Sanderling Crescent and Swallowdale Court.

When?

- Due to the weather, there will be a slight delay. However, we expect to start the asphalt work on or about August 7, 2019, starting on Sanderling Crescent.
- The project should be completed by August 9, 2019. All work is under warranty for two years from the completion date.

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.
- On-street parking will be reduced during construction.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed. If your driveway is blocked, you may choose to park on a side street for a short time. If you need immediate access to your driveway, the contractor will have road plates available to quickly allow access in and out of your driveway.
- Please call the Project Manager if you have special needs related to access or business hours.

Irrigation or Sprinkler Systems

- Please tell the inspector if you have underground irrigation or a sprinkler system outside your property line.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any concerns or special needs.

Thank you!

Melvin Gonzalez
Project Manager
