

September 11, 2019
Project 19-1310 D

**PROJECT UPDATE
WATERMAIN REPLACEMENTS AND IMPROVEMENT
SHALE OAK MEWS AND SHALE OAK COURT
CITY OF MISSISSAUGA**

What are we doing?

- Reinstating driveways, roadway and curb following the replacement of the watermain and services along Shale Oak Mews and Shale Oak Court.
- To complete restoration following upgrade of the water distribution system.

When?

- We expect to start work on or about the week of September 23, 2019 (weather permitting).
- The restoration should be completed by mid-November 2019.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Jimmy Cheema	Project Manager	905-791-7800, ext. 5403
Roman Melnikov	Inspector	905-791-7800, ext. 3246
Sam Rabito Construction Ltd.		
Sam Rabito will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Corey Luciano	Site Superintendent	905-642-5356

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- The City of Mississauga has scheduled Shale Oak Mews and Shale Oak Court for Roadway Rehabilitation in 2020, pending budget and council approval. During Roadway Rehabilitation works, a portion of most driveway aprons or at the driveway entrance will be disturbed again along the curb.
- If we damaged a portion of your **interlock driveway/concrete driveway**, our contractor will reinstate the damaged portion of the driveway.
- If we damaged a portion of your **asphalt driveway** during our watermain restoration work, a temporary asphalt patch will be installed by our watermain contractor. Following the City of Mississauga's work in 2020, your driveway will be replaced in the disturbed area from edge to edge across the driveway. During City's resurfacing in 2020, should you wish to have the entire or the rest of your driveway paved, you can make your own arrangements to have the work done at the same time.
- For further information on the City's Road Rehabilitation Project, please contact Loudel Uy, City of Mississauga, at 905-615-3200 ext. 3157.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!
Jimmy Cheema
Project Manager
