

October 5, 2020
Project 20-1310 G

PROJECT UPDATE
WATERMAIN REPLACEMENT ON PATTINSON CRESCENT, MATENA AVENUE AND VALENTINE GARDENS,
CITY OF MISSISSAUGA

What are we doing?

- Reinstating the road, driveways, sod, and curb following the replacement of the watermain and services along Pattinson Crescent and Matena Avenue.
- To complete restoration following upgrade of the water distribution system.

When?

- We expect to start work on or about October 8, 2020
- The project should be completed by December 31, 2020

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number

Sasho Pulevski	Inspector	905-791-7800, ext. 3246
F.C.M. Construction Limited		
F.C.M. Construction Limited will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
John Frias	General Manager	905-339-0990

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to re-route traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

Repairing Your Irrigation System

- If we have cut or damaged your irrigation system, our contractor will arrange to have it repaired as soon as possible.
- If you wish to have your contractor of choice repair it, please inform the inspector or project manager, and we will reimburse you upon submitting a valid invoice. Please arrange to have your irrigation system repaired as soon as possible, before our contractor replaces your sod in two weeks from now, to avoid damaging the new sod.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.

- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- **The City of Mississauga has scheduled Pattinson Crescent and Matena Avenue Rehabilitation in 2021, pending Council approval.** During Roadway Rehabilitation works, a portion of most driveways will be disturbed again along the curb.
- If we damaged a portion of your **asphalt driveway**, a temporary asphalt patch will be installed by our watermain contractor. Following the City of Mississauga's work your driveway will be replaced in the disturbed area from edge to edge across the driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!

Osama Alfalahi
Project Manager

Cc: Councillor K. Ras, City of Mississauga, Ward 2

Construction statement regarding COVID-19

Construction is an essential service. We're keeping employees, contractors and the community safe by complying with provincial regulations, physical distancing, using PPE and adjusting work schedules & shifts.
