

Burnhamthorpe Water Project

What's New?

September 19, 2019

Cawthra Road and Burnhamthorpe Road: Northeast Corner Until 2021

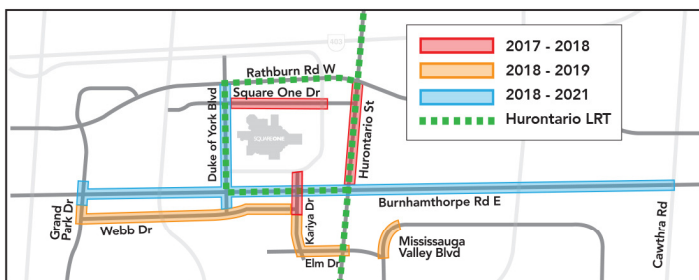

- We are starting work on the construction compound on the northeast corner of Cawthra Road and Burnhamthorpe Road.
- This compound will remain in place until 2021. There will **not** be construction happening in the compound all the time.

Pedestrian Walkway

- The multi-use trail is closed on this corner.
- We are installing a pedestrian walkway on the south side of the compound, similar to the one at Burnhamthorpe and Hurontario. Concrete barriers will protect pedestrians from the traffic.
 - Please note: this is a **dismount zone** for cyclists!

Traffic

- Westbound Burnhamthorpe east of the intersection will have:
 - One left-turn lane
 - One through lane
 - One through/right-turn lane
- **Please drive carefully through the construction zone!**
