

Burnhamthorpe Water Project

What's New?

August 4, 2020

Compound at Burnhamthorpe Road and Duke of York Boulevard

Working Hours: August – December 2020

We are installing the pipes for the 1500mm (5 feet) diameter watermain under Burnhamthorpe Road.

Starting in August, we will **work 24 hours** a day for 4 months:

- Monday at 7 a.m. to Saturday at 7 a.m.

Minimising the impact to you:

- **Lights** will be directed away from neighbouring condominiums.
- There will be some **noise** from construction equipment, but **we will do everything possible to keep the noise to a minimum.**

Why must we work at night?

- We must work 24 hours a day to complete our work before the LRT project starts in central Mississauga.
- We apologise for any noise or disruption while we complete this necessary work.
