

# Burnhamthorpe Water Project

# What's New?

August 6, 2020

## Compound at Duke of York Boulevard and Centre View Drive

### Working Hours: August – February 2021

We are excavating a tunnel shaft and a tunnel to install a 1200mm (4 feet) diameter sanitary sewer along Centre View Drive.

Starting in August, we will **work 24 hours** a day for 6 months:

- Monday at 7 a.m. to Saturday at 7 a.m.

### Minimising the impact to you:

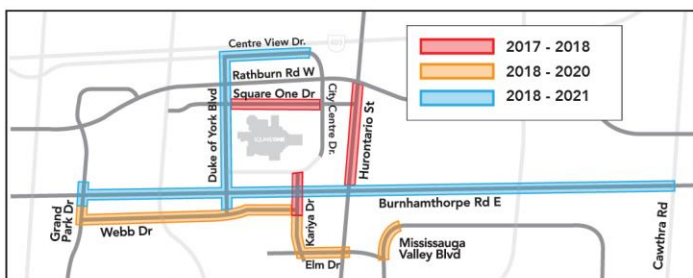

- **Lights** will be directed away from neighbouring condominiums.
- There will be some **noise** from construction equipment, but **we will do everything possible to keep the noise to a minimum.**

### Why must we work at night?

- We must work 24 hours a day to complete our work before the LRT project starts in central Mississauga.
- We apologise for any noise or disruption while we complete this necessary work.

### Questions?

- Call Sandi at 416-457-3889 or email her at [bwp@peelregion.ca](mailto:bwp@peelregion.ca)
