

How It Works

In accordance with Canadian Payment Association (www.cdnpay.ca)

You give the Region of Peel permission to withdraw the exact amount of your water/wastewater &, or stormwater bill directly from your bank account. This means that the withdrawal amount will vary and billed either on a quarterly or a monthly schedule, based on consumption guidelines.

Ten days prior to each debit, you receive a statement telling you the exact withdrawal amount and the withdrawal date. This service is for personal pre-authorized debit.

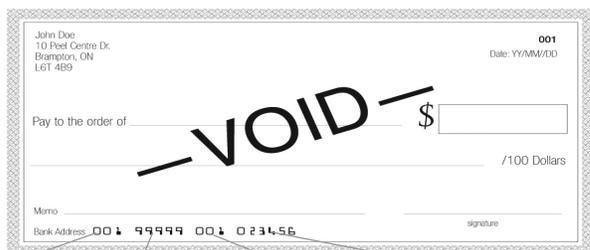

You have certain recourse or cancellation rights if any debit does not comply with this agreement. For more information, contact your bank or visit www.cdnpay.ca.

You may cancel this pre-authorized debit agreement at anytime in writing, by phone or through a cancellation request form from our office. We require at least 7 business days notice.
